

Central Australia Academic Health Science Network

ABORIGINAL RESEARCHER SUPPORT GRANT

Purpose of the Grant:

To support and encourage Aboriginal and Torres Strait Islander people working as researchers, or with an interest in research, to build their research skills, experience and confidence.

Eligibility:

- Aboriginal or Torres Strait Islander person
- Currently employed or involved in a research-related role and/or interested in a career in research
- Living and working located in central Australia

Grant criteria:

1. Grant requests are up to \$1000.
2. This is a one off grant opportunity within a 12-month timeframe.
3. Successful applicants will submit a brief report once grant-supported activities are complete, along with an expenditure report.

How to apply:

Applications must include:

1. A short statement (up to 300 words) outlining how the applicant will use the grant and how it will contribute to building skills, experiences and confidence in research. A brief budget outline should also be included.
2. A short statement (up to 300 words) from the applicant's employer outlining why they support the applicant's Grant application

Please note:

There is no closing date for the grant. Applications are individually assessed by a CA AHSN review panel.
